

## Explore the Taste of Our Freshly Made Pasta

### FUSILLI

Fusilli is a classic, spiral-shaped pasta derived from the word *fuso* meaning "spindle" or "spun." Its corkscrew shape is great for catching meat and toppings in each bite.

### RIGATONI

Rigatoni is a tube-shaped pasta of varying lengths and diameters originating in Italy. It has ridges down the side, sometimes spiraling around the tube.

### FETTUCCINE

Fettuccine is a popular Italian pasta in a long, ribbon shape. We recommend our fresh Fettuccine with our homemade Cacio e Pepe sauce.

### BIGOLI

Bigoli or *Bigoi* is a long, thick pasta that roughly translates to "Fat Spaghetti." Bigoli originated in and is widespread throughout the Veneto and Lombardy regions of Italy.
